RE: 4-23-cv-03887; Bencivenga Corporation D/B/A OFM Corporation
vs ATF et al

Dear Judge Ellison:

It appears that the denial of the preliminary injunction in this case is moot because according to Tracey Robinson, Chief, Federal Firearms Licensing Center, Benecivenga has been granted a letter of Authorization (LOA) that extends its FFL operation until January 2, 2025. A copy of the LOA is attached.

ATF Rule 75-27 allows Bencivenga to continue operations under its current license until the ATF completes processing its application to renew its FFL. A copy of ATF Rule 75-27 is attached,

The final determination to renew Bencivenga's FFL is scheduled to be adjudicated on April 7, 2025. See Scheduling/Docketing Control Order Doc 48.

Thank you for your attention to this matter.

Very truly yours,

G. P. Matherne
Attorney for Bencivenga Corporation
D/B/A OFM Corporation
